GIVE THEM SOME RESPONSIBILITIES !

Our Town and School boards generously give their sports fields for the use of all kinds of games by our youngsters. During a recent Council meeting there was a discussion regarding responsibility for cleaning up the playgrounds afte these games. Most of the councillors felt that those who use the playgrounds should clean up after their games and therefore disagreed with the $550. provided in the budget for this purpose. Major Veness thought it ridiculous that the town pay for this. He felt that those who use the playgrounds should contribute something. We agree wholeheartedly. If the youngsters get the free use of the playgrounds, club houses, have the grass cut and snow shovelled, surely it's little to ask that they pick up after themselves. All our managers and coaches in town should educate their players that they are responsible for keeping the playgrounds in a neat condition.

There is another thing about which we wonder. Donations of uniforms and equipment is the normal accepted thing nowadays. But we feel that if each player paid something towards expenses of their club (even 5¢ a week) they would become more aware of their responsibilities.

We feel that the executives of all the sports organizations should get together to discuss these problems. A meeting such as this could also help to avoid overlapping of sports activities. Many players change from club to club in the middle of the season. It is very demoralizing for the coaches who donate their time and energy, to have their players changing all the time. A registration of all our junior sports players, distributed by a combined sports association, could solve this problem. A co-ordinating body, in close co-operation with the Recreation Board, is something that we need as soon as possible. Let's think it over during the holidays and start fresh in September to give our youth a sense of responsibility, for their own sake!

SUNDAY PROGRAM AT THE EDMONTON PUBLIC LIBRARY

Sunday Concert
On Sunday afternoon, June 21, from 2 to 3 p.m, the Public Library presents another program of stereo music from its record collection. This week Johannes Brahms' Double Concerto for violin, cello and orchestra in A minor, Op. 102, will be performed by Wolfgang Schneiderhan, violin, and Janos Starker, cello, with the Berlin Radio Symphony orchestra conducted by Ferenc Fricsay.

Film Program Sunday, June 21 3 p.m.
Tomato Canning More tomatoes are grown for processing in Canada than any other vegetable. This film shows every phase of tomato harvesting and canning at Belleville, Ontario.
I Was a Ninety Pound Weakling A round-up of what goes on in the toe-touching parlours of a large city. Here you see modern man (and woman) brought to bay by his own pounage - resolved to erase by exercise what rich food, idleness and age have put on.
Everybody's Prejudices Everybody? Well there is prejudice and prejudice. From the man who refuses his breakfast egg because experience tells him to, to the man who dislikes his new neighbors for no reason at all, this film offers examples of prejudice from the mild to the harmful.

La Cathedrale de Chartres La cathédrale de Chartres, merveille d'architecture et symbole du rayonnement de la pensée. Très belle qualité d'images. Le commentaire mêle le ton familier et les strophes lyriques de péguy.
Braque Les oeuvres de l'artiste.
Paul Anka Tous les dix ans, une nouvelle vedette populaire provoque des passions chez les adolescentes. Il y a eu le vague Sinatra, puis le raz de marée Elvis Presley. Le produit de la dernière lune, c'est l'ouragan Anka. Le phénomène prend toutes les proportions d'un mythe. L'idole envoûte et ensorcelle des légions d'adolescentes incapables d'échapper à son charme tout-puissant. Les cinéastes de l'ONF ont braqué leur objectif sur le chanteur canadien Paul Anka. Le film analyse les principales facettes de ce métier singulier: jeune chanteur de music-hall pour jeunes filles de douze à seize ans. (cinq prix notamment: Premier prix du jury. Ville

Les Charpentiers de la Foret Le pic a une façon bien personnelle d'accueillir la saison des feuilles et des fleurs. Allant d'un arbre à l'autre, il tambourine avec son bec sur les branches. Il s'accouple bientôt avec une belle séduite par sa musique et creuse lui-même le trou qui leur servira de nid. Bon père de famille, il nourrit ses petits et ne les abondonne que lorsqu'ils peuvent se débrouiller seuls.

TENNIS

It is gratifying to note the number of persons attending the coaching lessons at the St. Albert Tennis Club. In view of the large number of junior members showing interest, it has been decided to run a junior tournament in another month or so. The date has not been officially decided but you will be informed through a later edition of the St. Albert Gazette.

All intended members are urged to return applications for membership in the club promptly to Mrs. Margaret Styles at 16 Gordon Crescent because we are fast approaching the maximum quota of members. For more information please contact the president Jack Harding at 599-7313.

STURGEON HEALTH UNIT

Save A Life

A number of students in several St. Albert schools have recently participated in the "Save a Life" program which has taught Mouth to Mouth Rescue Breathing. The students were encouraged to pass on their knowledge to family members.

When should mouth to mouth rescue breathing be used? Suffocation, Gas or fume asphyxia, Drowning, Electrocution, etc.

When artificial respiration is commenced it must be continued until the victim breathes for himself or a Doctor takes over.

1.. Place victim on his back, turn his head to the side, wipe out his mouth quickly. Use your fingers to get rid of any foreign matter.

2. Place a thick pad under the victim's shoulders to enable a better head position. In the case of a child, use your own knee. Push head down and back with one hand. Pull chin up and out with the other. This creates a straight air passage to the lungs.

3. Place your mouth tightly over the victim's mouth and pinch nostrils closed to prevent air leakage.

4. Breath into victim's mouth until you see his chest rise.

5. Remove your mouth from the victim's to allow his breath to be exhaled. Count three and repeat.

Additional detailed information on methods of Artificial Respiration are available upon request from the Sturgeon Health Unit.

The original log church, built in 1898, in the Ray District.

The Goshen Presbyterian Church, built in St. Albert in 1915, and moved to the Ray District in 1925.

INTERESTING HISTORY OF PRESBYTERIAN CHURCH IN ST. ALBERT & DISTRICT

The Ray District (about 8 miles NW of St. Albert) is quite an interesting place for Presbyterians. In 1898 this log church was built. One of the oldest Protestant churches in Sturgeon County and surrounding districts, this old church is still standing.

Old timers in St. Albert will remember the Presbyterian Church which was built in 1915 opposite the present CNR station In 1925, as the congregation in St. Albert was too small, the church was moved to the Ray District to replace the log church which was then used for the manse Once again, this 50 year old church has no congregation, but thanks to two former members, Mr. Dave Fisher and Mr. Melvin Brown, it is still intact and in good shape. They make sure that both churches, church and grave yard consisting of 1 acre, are maintained. The land on which the churches now stand, in Ray District, was donated to the Presbyterian Church of Canada by a farmer named Ryan.

The present St. Albert Presbyterian Congregation was quite surprised to hear that the Presbyterian Church had such a long history in this district. The congregation will be visiting these churche this Sunday. As the name of both these churches was Goshen Presbyterian Church, the St. Albert Presbyterian Congregation should have no trouble finding a name for their new church which they intend to build in the near future.

Soccer

TRAINING PAYS OFF

To date the St. Albert Soccer Club, Hercules, have had excellent results in the Edmonton and District Junior Soccer League. The PeeWees have won 5 straight in the Northern League and will now be in the play offs for the Northern League championship. If they win they will meet the Southern League Champions to decide the 1964 PeeWee Champ of the Edmonton and District Junior Soccer League. If they are successful in this championship game, they will meet the PeeWee champ from either Calgary or Saskatchewan.

The Bantam Team is also doing very well, as they are tied for top position with the Edmonton Ritchie Bantam Team. They will play the final game for the Edmonton championship this Friday, 7 p.m., at the Bonnie Doon Soccer Field. The executive of the Soccer Club hope that many supporters will turn out to watch this game.

After three years, with regular training, summer and winter, the teams are mastering the finer points of soccer. St. Albert shouldn't have any trouble in future to find good Bantam and Juvenile teams with such a background of training.

Special thanks go to the St. Albert Public School Board who supported the development of soccer in St. Albert by donating the regular use of their soccer field, and also the use of the Vital Grandin gym during the winter season, which helps the boys keep in top physical condition. The indoor practices will start at the end of October.

The present executive of the Soccer Club consists of Carmine DeLuca, president; Tom Ferguson, secretary-treasurer (599-7061); W.J. Netelenbos, general manager. Executive members are: Ron Walker and Bill Pengilley. Coaches are Bill Pengilley, G. Bruinink, Mr. Sieram and W.J. Netelenbos. All boys who are interested, please contact the secretary-treasurer or the manager for further information.

FIELD DAY-1964

To all Sturgeon Heights and Braeside parents: A Field Day is being planned again this summer for all children living in these districts. There will be an organizational meeting this Thursday, June 18, 9 p.m. at the Vital Grandin School. All parents from Sturgeon Hts. and Braeside are urged to attend. Last year's Field Day which was just for Sturgeon Heights was a great success, with the children's costume parade being a highlight of the day.
